## ABOUT US

Hi, I'm Charmaine and my purpose is to help you grow your business.

My background is over 26 years of sales, with the last 8 years concentrating on Sales Training (workshops), Events (Seminars, Conferences) and Sales Coaching (small groups and One-on-Ones)

### ANY SIZE COMPANY

Whether your company size consists of you alone, or you and a few sales people or if you manage a national sales force, we have the right support to catapult your team into success. (In this document we will refer here to 'you and your sales team' – that covers any sales/business development client services/client facing/customer service person).

### WE SIMPLIFY

We focus on equipping you and your sales people with methods and tools which are so simple they will embrace them easily and effortlessly.

### OUR KNOWLEDGE

Tapping into years of experience, our sessions are fun, upbeat and get results fast. We use real-life situations and thought provoking exercises to engage, inspire and empower you and your team.

### SUCCESS BREEDS SUCCESS

Giving you and your sales people the knowledge and confidence is the best you can do. Once they are on the front foot there is no stopping them. Our sessions help them with motivation and momentum.

### CLEAR PROGRAMS

We have clearly defined programs that will help you to grow your business - keep reading to find out which program is right for you.

# WHY CHOOSE US?

## Sharing tips of the trade from the professionals

Our programs are written by high performing sales professionals. They are in the field, selling. They are at the top of their game.

The trainers share tips of their success to enable you and your team to Grow your Business FAST. They have over 20 years sales experience each and are also Trainers of NLP (Neuro Linguistic Programing), Hypnotherapy, Time Line Therapy™ and Coaching.

Our philosophy is to assist our clients to focus their attention on the client (not on themselves). This means, as sales people, we pick up everything the client does and says (and doesn't do or say). This 'outward' attention means we get to understand our client much better, allowing us to create solutions which fulfills the clients'

need and delivered in a way which aligns with how they operate. **This ultimately separates you from competitor offerings.**

### What's the outcome of this approach?

When people sell 'outward' focused they sell with integrity. They grow their business quicker and have a stronger competitive edge. Their clients achieve their goals - and so become loyal and refer you on. Sales people become empowered, motivated and full of confidence.

### Why is it so successful?

**It's simple. It's obvious. It's easily remembered and it's flexible.**

In every workshop we've run, participants say "this feels exactly right. It feels like the professional way to sell and if I were a client and someone approached me like this I would buy from them".

# WHAT'S THE PROCESS?

Everything we do is simple and effective – including the process of how we will work together. These five steps keep everyone informed of where the training is at, and ensures that the individual has mastered all the tools deemed necessary to overachieve in your workplace.

## Topics

We decide on

a) **Topics** (page 7 – 11 list the most common topics).

b) **Dual Learning**: During the 'evaluation' and the 'tasking' we work on which messages would further enhance the training.

# TRAINING OPTIONS

There are many ways we can upskill your team. There are workshops, events and coaching. Here we explain the two main ways.

## 1. WORKSHOPS

Workshops are great for rapidly upskilling. Engaging and fun, these exercised based modules ensure everyone is invested and stretched.

Tailoring the workshop to focus on what they most need to achieve. These powerful sessions work on real life situations arming each person with solutions. Because they have fun, participants open up and thereby enjoy exploring and practicing other solutions to their challenges. They emerge fully equipped with both the practical application and the confidence. (Also mindset determines sales – we work on mindset).

See immediate behavioural difference in their capabilities, motivation and attitude.

# CONTINUING SALES LEARNINGS

## FOLLOW ON SUPPORT

Embedding the messages, this is the immediate 4 weeks post the training.

**Timing:** 4 weeks post training

**Set up:** A mini sales training meeting in your office. (for 4 hours)

**Includes:** Unlimited phone calls, emails. (send your correspondence, emails, proposals for feedback.)

This injection of sales training pumping through your office closely following the sales training assists the team in being open to new ideas, unpack what they do with maturity and an opportunity to hear each others success stores with improved, positive, smarter language.

**What takes place:** We run through the training highlights to embed the messages. They learn from us, they learn from each other. Your team can air scenarios for feedback and everyone learns. It's a fantastic opportunity to embed the core messages and then them to recap on their learnings and how they are applying them.

## KEEPING THE MOMENTUM

We then re evaluate where the team are at and move them forward. Keep everyone evolving, up skilled, fresh, motivated and energised... keep them on the front foot. Powerful Sales Training regularly keeps the team sharp, polished, up to date, motivated and of course – powerfully up skilled.

They also enjoy learning new topics regularly and advancing their development as the fruits of the training pay out in the winning of much more business.

**Frequency:** quarterly, monthly.

**Set up:** Re anchor them back in the 'learning space' off site.

**Topics:** Often the evolution is to the next program (see below and on page 6) and with that we can, as always, tailor it so that it covers every topic that you require.

# FEEDBACK

**Manny Rodrigues**  
Business  
Development  
Manager at  
[Gumtree.com](http://Gumtree.com)

It was great to get training off someone who is in the sales field and not just someone reading off a script. I found the course very rewarding and I have been in the sales field for over 14 years. This was one of the most rewarding training courses I have attended. All my colleagues agreed with me. Often you forget so much being in the sales field so long so this was a great refresher as well as bringing me useful tools and methods which I put to use immediately.

**Jordan Smith**  
Head of Branded  
Content, Audio  
Network Australia

From the very first session with Charmaine it was like a light bulb going on! That first session changed the way I think about sales and my clients! I now enjoy monthly sessions and therefore many more lightbulb moments.

**Martin Lane**  
CEO  
Focal Attractions

Charmaine was bought in to bring immediate revenue results. Her knowledge of how sales people think, react and learn was evident as she empowered the sales team of four. Immediately the results showed.

**Elena Di Palma**  
Group Manager  
Westfield

Charmaine really understands how to motivate Sales People. Her ideas and tools are put forward in such a way that the team can implement them immediately to get results.

**Dan Day**  
CEO  
Invisible Artists

Stop selling AT people and start helping – that's Charmaine's phrase and it aligns with our ethics here. Her warm personality coupled with in-depth knowledge about how people think, engage and buy has helped support our company whilst we grow from a smaller start-up in Sydney to having a global presence. Charmaine listens, and has helped guide us through its first two years (we also Skype her from our London and Singapore offices.)

**Sally Cull**

Charmaine's sessions are engaging, enlightening and full of very useful, practical sales methods to drive revenue.

# GET IN TOUCH

We care about you, your needs, your goals, your vision.

Thought and consideration has been put into each and every evolving exercise to ensure participants are engaged, enthused and know how to operate to maximum effectiveness. The result is confident individuals that go out and find, recognise and convert every opportunity. Easily. With integrity.

Sales training offers us a lot of psychology – firstly your team feel invested in, secondly we handle the job (with you) of getting them open minded and ready by tasking and liaising before an workshop. Thirdly, we understand human behaviour, how to motivate people. We know if they are relaxed and having fun they embrace and pick up lessons quicker. We teach about 'our

internal state' that is – how do we react when the business has challenges – how to be in charge of how we react.

The essential training though, for behavioural change, comes from the Inner Game. 'Mindset' and 'Skills' have equal importance. The right mindset is, quite frankly, a game changer.

We look forward to hearing your needs and seeing how we may be of support to you during this next phase of you and your sales team's career.

Charmaine Keegan Director
